

# GIRLS BASKETBALL CAMP

The Evergreen Girls Basketball program will be welcoming Toledo Threat and Toledo Junior Threat owner Sandi Brown along with her staff this summer to teach a variety of fundamental and advanced basketball skills. Coach Brown is a former professional basketball player who played basketball at the University of Detroit Mercy on a full-ride scholarship and afterwards branched out professionally in Germany along with a tryout for the WNBA Tulsa Shock. At camp, campers will focus on drills specific to these core elements - passing, ball handling, shooting, and defense. Older campers will also gain one-on-one drills and gain a better understanding of their position. The girls will participate in contests as well as games to teach them a competitive, yet sportsmanship type spirit! Our goal is to assist each camper in becoming a more well-rounded basketball player.
