

GIRLS BASKETBALL CAMP

The Evergreen Girls Basketball program will be conducting a camp this summer to teach a variety of fundamental and advanced basketball skills. Campers will focus on drills specific to these core elements - passing, ball handling, shooting, and defense. Older campers will also gain one-on-one drills and gain a better understanding of their position. The girls will participate in games as well to teach them a competitive, yet sportsmanship-like spirit! Our goal is to assist each camper in becoming a more well-rounded basketball player.
